SILKS—GEO. M. SNOOK & CO.

RAUCARIA BIDWILLII

Is the name of the largest plant exhibited in our Main street window. Not another like it in this city. This beautiful, odd-shaped, South American pine attracts much attention. So do the large figured

BROCADED SILKS

In the same window. Possibly not a better line of these in Wheeling. Positively not a newer line, for these rich and showy Silks have just arrived from one of the best mills in this country, and prices are undoubtedly from 50c to \$1.00 yard cheaper than the same class of foreign made silks sell for.

Will They Be Worn?

Unquestionably, if the large orders placed by the best business houses of New York, Boston, Chicago, and other cities, are a criterion. And to further clinch this fact, we refer our readers to the latest fashion publications.

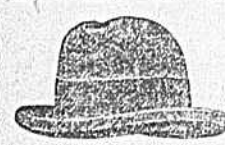

Price for the cheapest 98 cents. Price for the dearest \$1.69. Many between prices. Every one a beauty.

HIGH GRADE SHOES AT SHODDY PRICES.

This seems a poor way to say it, but when you compare our Ladies' and Gentlemen's fine shoes, that we are selling for \$2.00 with the so-called HIGH GRADE shoes at HIGH PRICES you will find all the STYLE, FIT, COMFORT and WEAR, and the only difference you can see or will ever know is that you have a first-class shoe for as low price as you generally pay for a shoddy one.

LOCAL BRIEVITIES.

Matters of Minor Moment in and About the City.

The Marshall and allies of the Labor
Day parade will meet at the trades as-
sembly hall next Saturday evening at
7:30.

A number of good catches of fish were
made in the creek yesterday afternoon,
and the fishermen attracted quite a
crowd of spectators on the Market street
and stone bridges.

The police court was not a very pro-
bable institution yesterday morning.
Twelve of the victims went to the work-
house and two of the females to jail for
a term of "feed" at the city's expense.

The Institute of Wheeling teachers
will be held for four days, beginning
Tuesday, September 1st. Dr. Gorby, of
Athens, O., C. B. Gilbert, superintendent
of schools of St. Paul, and others, have
been secured as instructors.

In Clerk Hook's office yesterday only
one deed of trust was recorded. Mrs.
Mary S. J. Tazekal and her husband
transfer to Mrs. Anna Hall and hus-
band Joseph, the north quarter of lot No.
103, in Chapline and Eoff's division, con-
sideration \$5.

Nesbitt & Devine sold the Haley prop-
erty on North Market street for \$1,100,
and the following lots: No. 15, on Charles
street, and lot No. 20, on High street,
for Mrs. Elmer Moore to Robert Mc-
Keon, for \$225; lot No. 19, in the Edging-
ton addition, for John G. West to John
Haley, for \$375; and lot No. 47, in the
Belvedere addition, owned by Frederick
Happy, for \$250.

ABOUT PEOPLE

Strangers in the City and Wheeling Folks Abroad.

Miss Minnie Beler left yesterday for a
three weeks' visit with relatives in Ohio.
Dr. E. A. Hildreth arrived home yester-
day from a brief visit to Mt. Lake
Park.

Miss Ida Roberts, of Mountsville, is
visiting Mrs. W. A. La Touche, at her
home on South Chapline street.

Miss Carrie Beler, of the South Side,
leaves to-day for New York and other
eastern cities on an extended business
trip.

On Saturday evening a full dress
party was given at Loch Lyle Heights
hotel, and the most attractive ladies
were those from Wheeling.

Mrs. W. H. Anderson, who had the
misfortune to break her ankle, at Beech
Bottom, is now rapidly improving. She
will be able to return to the city in a
few days.

The recent Wheeling arrivals at Loch
Lynn Heights hotel were: H. T. Stall-
man, A. B. Carter and family, Dr. Reed
Baird and family, Mrs. and Miss Wilson,
Hon. John A. Howard and family, Hon.
B. B. Dwyer and wife, Dr. L. N.
Reeder, the Misses Caldwell and Miss
Fisher.

Will Set the Corner Stone.

The Catholics of the city and vicinity
will gather together next Sunday after-
noon at the Cathedral at half past 4
o'clock and proceed to the site of the
new boys' school, at the corner of Byron
and Fourteenth, where interesting cere-
monies will take place, relative to the
laying of the corner stone. Special pre-
parations have been made for the event,
which will be attended by the local clergy
and the laity in general. Rt. Rev.
Bishop Donohue will conduct the ser-
vices.

HUMANE SOCIETY

Have a Favor to Ask of the Gen-
eral Public.

THE PETITION IS NOW OUT

And It Asks All Taxpayers to Subscribe to
"Requesting the Board of Commissioners
to Appoint a Matron for the Jail, and
Requests the Same Favor of Council for
Police Headquarters—The Proposition is
Not Only Within Reason, but Decency
and Humanity Demand It.

The Wheeling Humane Society is con-
tinuing the good work it commenced. It
is a remarkable thing that it was not
organized before, for the reason that the
field has been a most fruitful one. The
society not only watches the abuse of
the burse creation, but has a higher ob-
ject in taking care of poor unfortunates
of the human family.

On last Saturday Mrs. John K. List,
the president of the society, and Miss
Jennie B. Wilson, the secretary, were
appointed by the society to visit Pitts-
burgh and examine the workings of the
jail and police court of that city, with a
reference to the care and treatment of
female prisoners.

They had a most successful trip. They
found the Pittsburgh jail kept as clean
as could be possibly expected, and that
the work was done by the inmates. Not
only was the cleanliness of the prison
the best feature, but there was a woman
at hand to attend to and wait on all fe-
male prisoners.

These features are sadly missing in
the Ohio county jail. These ladies, from
what they have learned in Pittsburgh,
have taken it upon themselves in behalf
of the Humane Society, to start a peti-
tion which no right thinking tax-payer
can refuse to subscribe to. It humbly
asks that the unfortunates of the female
sex shall have that attention that is due
them. It requests the board of commis-
sioners of Ohio county to appoint a ma-
tron for the jail and houses in behalf
of the city council to have a woman attendant
at police headquarters to administer to the
wants of her wayward and frail sisters.

This is one of the most important
moves that has ever been made by the
society. The writer knows of his own
knowledge that there have been many
occasions when a woman attendant in
the police headquarters would have been
of advantage to unfortunates who had
been arrested. Not that the police offi-
cials treated them wrongfully, but that
they were in need of the sympathy of
their own sex and such ministrations as
only one woman can give to another.

The petition is now being circulated.
Let every true man sign it.

It's a Big Show.

In speaking of the opening attraction
at the Grand Opera House next Thurs-
day, Friday and Saturday, the Burlington
Hawkeye says: The great Barlow
Bros., Minstrels appeared at the Grand
Opera House last night. It is the
strongest aggregation this company has
ever carried, and the first part setting is
the finest ever seen on the local stage.
That minstrelsy is still popular with fun
lovers was evident; and it is worthy of
mention, that while farces and molo-
dramas come, and fall by the way side,
clean cut minstrelsy will go on just the
same; and while it has amused the many
in the past, it will continue to amuse a
great many more, before the last bones
have rattled into dust, and the last tam-
bo to have been shattered. The monologue
work of Mr. Harry Weston, "The Next
President of Minstrelsy" was exceedingly
clever, while the quartette met with
round after round of applause; and the
work of Marlon and Pearl was the
greatest novelty here this season. Taken
all in all it is well named "Magnificent."

Oil and Gas Notes.

The North Penn Oil and Gas Com-
pany is striding ahead. Yesterday No.
5 well came in, on the Rogerson farm,
with elegant prospects for a good pro-
ducer. The stock of this company,
which lagged for a while on the market,
is now at a premium.

The Natural Gas Company of West
Virginia has struck another well in
Greene county, Pa., on the Supler farm.
This is just a short distance from the
new eight-inch line which they finished
laying a few weeks ago, and their patron-
s are now assured of a bountiful sup-
ply of natural gas for the coming winter.

ness are easily and quickly cured by

THE HUB CLOTHIERS AND FURNISHERS.

WE ARE AT THE LAST DITCH!

With one masterly effort we're going to clear it—landing on
the safe side of present conditions. There's just this one
week remaining between us and inventory time, and where
the lots are still too large—whether it be complete lots or bro-
ken lots—shan't matter—they must go. This is the most de-
termined sacrifice of the season—a wholesale, indiscriminate
slaughter—that shatters present prices to splinters. The
wise ones will husband their resources and take quick ad-
vantage of this climax.
